

IEB & Homes of Hope

Who wants to fund and build a house for a family in need?
Feb 9 – 12, 2024

Who is Homes of Hope?

- Partner organization to Youth With a Mission (world-wide mission organization)
- Homes of Hope operates in 19+ countries
- This house build is located just outside of Tijuana in Baja, Mexico
- Homes of Hope team members live in the community and will build 300+ homes in 2023 in this area
- Families must apply and meet certain criteria to have a house built
- Project 143 has been involved in 4 builds over the last 3 years with HOH, and has 2 more planned for 2023

The
PROJECT  **143**
Foundation

The YWAM Base

- Beautiful property that overlooks the Pacific Ocean
- Accommodations are spacious, clean, comfortable, and each room has its own bathroom
 - 2 people/room (at least 2 beds/room)
- Staff is very attentive
- Food is fresh, homemade, and accommodating for food sensitivities and allergies
- Coffee shop on base

Building the House

- The HOH build team walks you through the whole process
- You don't need construction experience
- We frame, paint, install electrical, roof, and furnish the home
- Everyone works – this isn't an IG photo shoot!
- The family often builds with us and we get to know them

Building the House

- The house is built in 2 days!
- We start with a slab and end with giving the family the keys!
- We will be building 3 houses:
 - 3 teams of 15 each
 - 3 families get a home!
